IATF Global Oversight

IATF Stakeholder Communiqué

The purpose of this Communiqué is to advise all IATF Stakeholders of the importance of using only IATF authorized publications and IATF authorized translations.

The IATF has been made aware of some stakeholder use of unauthorized IATF publications which might include unauthorized translations of the following IATF publications:

- IATF 16949:2016
- Rules for achieving and maintaining IATF recognition, 5th Edition
- IATF Auditor Guide for IATF 16949, 4th Edition

The use of authorized documents is important to ensure accurate understanding of the publications

The list of IATF authorized translations is as follows:

- Chinese
- Czech
- English
- French
- German
- Italian
- Japanese
- Korean
- Polish
- Portuguese
- Russian
- Spanish (Castilian)
- Spanish (Latin American)
- Thai

Any publication that is being published in another language is not authorized by the IATF and could contain errors. Additionally, it is a violation of copyright law to reproduce, store in a retrieval system, or transmit in any form (or by any means), electronic, photocopying, recording or otherwise, without prior written permission

being secured from the IATF. Reproduction may be subject to royalty payments, or a licensing agreement and violators are subject to legal prosecution.

The organizations authorized to publish IATF documents in one or more of the above mentioned languages are:

- AIAG
- ANFIA
- IATF France
- SMMT
- VDA QMC

Please check the IATF Global Oversight website for language translations by organization: <https://www.iatfglobaloversight.org/iatf-publications/>
